

Alliance Construction Team

Vision

- Reduce the cost of construction projects for churches, camps and conference centers through volunteer labor.
- Enable men to grow in the Lord through fellowship, mentoring and daily devotions while participating in construction projects.
- Reach others for Christ by example and word.
- Model a construction ministry that can be adapted by district men's ministries.

Mission

The mission of ACT is to assist C&MA churches and conference centers in the US in meeting their construction goals. This will be done through a centralized and coordinated effort to enlist, organize and deploy project teams.
